## **ADDITIONAL INFORMATION:**

If you require four (4) hours of in-service credit, you may take either the afternoon session from 1300 to 1700 or the morning plenary session from 0800 - 0900 **and** the morning session from 0900 to 1200.

**This training is only available to individuals registered to attend the Conference.** No walk-ins will be accepted. Attendees must attend the full session for their category and complete a sign-in / sign-out rosters in order to receive credit.

In order to receive credit for your training, you must submit a PSS\_WA form - Partial Training Exemption and the applicable \$25.00 fee. Forms will be available at the conference. For renewal of your registration, don't forget to also complete and submit your Registration Renewal Application form at least 30 days prior to your expiration date. Training credit will only apply for your current registration category if taken within the 12 months preceding your expiration date. Please note: Only in-service training credit is offered. If you are interested in attending Compliance Agent in-service, Firearms Instructor in-service or General Instructor in-service,

those classes will be held on Thursday, October 27, 2005 and a separate fee and application is required.

*NOTE: For SCOP and categories requiring Security Officer Core Subjects, additional in-service training in legal authority is required for your renewal. Firearms range qualification and firearms classroom training will not be available at the conference.*
